**DATE MAILED:**

Please find below and/or attached an Office communication concerning this application or proceeding.

**Commissioner of Patents**

The reply filed on Dec. 18, 2006 is not fully responsive to the prior Office action because applicant failed to respond to the requirement of species election. In the previous office action mailed on 11/03/2006, applicant was required to elect species from groups A-C. Especially when Group VII (claims 42-49) is elected, further election of species from each group B and C was required. Due to the amendment in claim 45, Group C has been modified (see below). Applicant is required to elect a single species from the following groups of species.

Group B. Type of substance: growth factors, enzymes, therapeutic drug (claim 49).

Group C. Type of disease: retinal detachment, gyrate atrophy, choroideremia, age-related macular degeneration (claim 45).

Since the submission appears to be a bona fide attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
